KRISTIAN WALTERS

PROJECT COORDINATION • COMMUNICATION • MULTIMEDIA PRODUCTION

RESUMÉ

Digital communicator and project coordinator with a broad background in international media production, creative operations, team leadership and retail management. Experienced in turning loose ideas and complex information into clear materials, structured workflows and finished results. I combine creative judgement with a practical, hands-on approach to coordinating people, content and delivery across international environments. All coursework for my bachelor's degree in Multiplatform Storytelling & Production is complete, with only the final bachelor project remaining. Available for full-time work.

ERFARING

MEDIA CREATOR (INTERN)
JAN 2026 - MAY 2026

GLOBALTEER, CUSCO, PERU

At Globalteer, a UK-based NGO, I created photo, video and social media content around volunteer and community projects. The role combined on-location production, editing and cross-cultural collaboration, turning real moments into content people wanted to watch and share.

AV TEAM MEMBER (STUDENT JOB)
MAR 2024 - JUL 2025

FILMEU, AARHUS, DENMARK

As an AV-Team member at FilmEU, I created digital media, supported European partners, and coordinated event content. I also handled the technical side of FilmEU Talks livestreams, combining video production, design, and live event support.

VIDEO OPERATOR/PHOTOGRAPHER (CONTRACT)
AUG 2022 - MAY 2023

MSC, THE WORLD

I worked as a videographer, filming and editing over 150 videos documenting passengers' experiences across 40+ countries during their world cruise. I started as a studio photographer but got the chance to move into video production. With guests from all over the world, I assisted them daily in various languages, including Nordic, English, German, and Spanish.

ART DIRECTOR (MATERNITY LEAVE POSITION)
JUL 2021 - JUN 2022

ULTRA APS, KØGE, DENMARK

In a diverse role, I managed both creative and technical tasks, from photo/video editing and animations to designing flyers, posters, banners, merchandise, manuals, and websites. As an in-house photographer/videographer, I captured over 20,000 photos and produced numerous videos. In collaboration with the marketing manager, I planned, executed, and reviewed campaigns for our brands and partners like Red Bull.

STORE MANAGER
MAR 2014 - AUG 2016

BOLIA.COM, COPENHAGEN, DENMARK

Managed the annual budget, staff training and major store-development projects, including annual rebuilds. By using sales data to guide planning and team performance, I helped move the store into the top tier of Bolia's Danish locations.

SERGEANT IN THE ARMY
AUG 2009 - JUN 2011

DANISH ARMY, AALBORG, DENMARK

Trained and developed new recruits in a demanding environment, with responsibility for instruction, structure and performance. The role strengthened my ability to lead under pressure, adapt quickly and take responsibility when priorities change.
